

# DOMAINE R DE LA GRANGE

Region: Loire (Pays Nantes) Village: Le Landreau

Winemaker: Raphaël Luneau

Property: 30 Hectares

Wine has been in the family since the 1680's, passed from father to son for 9 generations. They are situated in the locality La Grange, in the town of Le Landreau, 20 kilometers South-East of Nantes. Raphaël has been in charge of the 30 hectares of vines since 2010, following his father Rémy.

Their incredible location gives a great diversity of terroirs: schists, mice schists, gneiss with two micas, etc. Their wines, especially the Muscadet, reflect this wealth of terroirs.

## *IGP VAL DE LOIRE CHARDONNAY*

100% Chardonnay

The vines range from 10 to 45 years and are planted to clay and silica soils.

The grapes are harvested at optimum ripeness, with a low-pressure pneumatic pressing. This is followed by a long fermentation in underground steel vats, with partial malolactic fermentation

The wine is then aged on the fine lees for 4-5 months before being bottled in the spring.
