

CHÂTEAU DE CÉRON

Region: Bordeaux (Graves) Village: Cérons

Winemaker/owner: Xavier and Caroline Perromat

Property: 26 Hectares

Château de Cérons is not only a listed historic monument, but a lovely manor house built in the early 17th century situated on a terrace overlooking the Garonne River. Located in the heart of the village of Cérons in the Graves region, the estate is surrounded by imposing stone walls. The château is located in front of a beautiful 12th century church.

Xavier and Caroline Perromat took over the management of the family estate in 2012. They have been working tirelessly ever since: replanting plots, renovating the cellar, installing gravity-flow concrete vats and opening Château de Cérons to visitors.

GRAVES BLANC

50% Sauvignon Blanc, 40% Sémillon, 10% Sauvignon Gris

Soil: Mixed gravel soil with sand and small stones resting upon a subsoil of limestone.

The vines are approximately 30 years old

The grapes are gently pressed in stages gently and fermented in thermo-regulated stainless-steel vats with some lees stirring.

The wine is raked and aged in steel vats for 6 months before bottling.
